

**Kamloops' Finest Golf!!**

## **Testaments From Past and Current Rivershore Customers**

The course speaks for itself - it's an awesome challenging course that is easy to walk and always in immaculate shape with beautiful, undulating, quick greens.

What separates it from other courses in Kamloops is the diversity of the holes that totally change just by changing tee boxes... but what completely separates Rivershore and raises it above the rest are the staff and the Membership. Both are totally welcoming and make anyone who visits feel like royalty.

**Ken Read - Telus, Vancouver BC**

Rivershore is a classic Robert Trent Jones Snr layout, but that is only a part of the Rivershore experience. The Members and the staff combine to make belonging to Rivershore an absolute pleasure.

**Keith Elvers – Financial Planner, Kamloops BC**

Walking and playing a well-maintained Robert Trent Jones Sr. course on a daily basis – priceless.

**Jack MacDonald – RCGA President, Kamloops BC**

Nothing but the best: easy walk on a championship course that is challenging but fair and a great place to live.

**Pat and Ev O'Brien – Retired TRU Athletics Director, Kamloops BC**

Rivershore always keeps you thinking as it plays like a different course every time. What a delight!

**Tony Gilbert – Gilbert Wealth Management, Kamloops, BC**

I consider Rivershore the best "members" golf course in the Interior of B.C.

**Clark Altwater – Rivershore Fire Chief, Kamloops BC**

The overall design along with the absolute best fairways in golf was the two prime reasons for selecting Rivershore as my home course.

**Terry Grimm – Retired RCMP, Kamloops, BC**

..."for pure design and shot-making — not that you nor I know much about that — I don't think there's a stronger layout than Robert Trent Jones Sr.'s masterpiece at Rivershore. The turn; holes 8-11, are brilliant, and the course builds to an outstanding crescendo finish along the Thompson River".

**Brad Ziemer & Iain MacIntyre- Vancouver Sun.**
